

Curriculum Update for the Academic Year 2025–2026

Dear Guardians,

In line with the sustained improvement plans adopted by *The Imperial International School* and in pursuit of improving the academic performance of our dear students while preparing them to meet the demands of modern life, our school has given particular attention to developing its curricula.

In the modern era, curricula are no longer limited to the pages of a book; rather, acquiring knowledge has become more diverse and enriching, going far beyond traditional printed materials. For this reason, modern curricula are now supported by digital resources accompanying the printed textbook. Each student will be provided with an account to access a variety of digital tools, including videos, interactive presentations, e-books, and modern educational activities.

Attached below is the list of curricula for the academic year 2025–2026, categorized by grade level to clarify the content of each curriculum. Please note that proper use of the curriculum and its supplements provides students with a more advanced and interactive learning experience.

The school administration strongly recommends that parents obtain the books directly from the school to ensure that their children receive all the rights and privileges associated with the curriculum.

Note: The school is not responsible for any discrepancies in textbook content if obtained from external sources.

With sincere thanks and appreciation,

أولياء الأمور الأعزاء
أما بعد..

استكمالاً للخطط التطويرية التي تتبناها *مدرسة الفخامة العالمية*، وسعيًا للارتقاء بمستوى طلابها الأعزاء وتهيئتهم ليكونوا قادرين على مواكبة متطلبات الحياة المعاصرة، فقد أولت المدرسة اهتمامًا خاصًا بتطوير المناهج الدراسية.

إذ لم يعد المنهج الدراسي في العصر الحديث مقتصرًا على صفحات الكتاب فقط، بل أصبح اكتساب المعرفة أكثر تنوعًا وثرًا، ليتجاوز ما تحتويه الأوراق الحسية. ومن هذا المنطلق، باتت المناهج المعاصرة تُقدّم عبر وسائل إلكترونية مساندة للكتاب المدرسي، بحيث يحصل كل طالب على حساب إلكتروني يتيح له الوصول إلى أدوات رقمية متنوعة، تشمل فيديوهات وعروضًا تفاعلية وكتبًا إلكترونية وأنشطة تعليمية حديثة. وفيما يلي تجدون قائمة بالمناهج الخاصة بالعام الدراسي 2025-2026 مصنفة بحسب المراحل، لتوضيح محتوى كل منهج. ونؤكد أن استخدام المنهج وملحقاته بشكل صحيح يمنح الطالب مزايا تعليمية أكثر عصرية وتفاعلية.

كما توصي إدارة المدرسة أولياء الأمور بضرورة اقتناء الكتب المدرسية من المدرسة لضمان حصول أبنائهم على جميع الحقوق والمميزات المصاحبة للمنهج الدراسي. ملاحظة: المدرسة غير مسؤولة عن أي اختلاف في محتوى الكتب في حال تم اقتناؤها من مصادر خارجية. مع خالص الشكر والتقدير.
